Directions from Mahon Airport. It's a 15-20 minute journey by car.

Villa Favorita, 234 Puerto D'addaia, and Villa Casablanca, 233 Puerto D'addaia are in the Village of Puerto D'addaia on the North East corner of Menorca, located in the pretty bay of Cala Moli half way between Cap Favorix and Fornells.

To get to the villas by car:

Drive out of the airport for about 1km and over first roundabout (large obelisk in centre of roundabout).

Go straight over the second roundabout.

At the third roundabout turn right heading for Mahon on the ME 1.

After about 1.5kms enter outskirts of Mahon and go around a large roundabout eventually turning off it keeping the garage on your right hand side and heading downhill in the direction of Fornells.

After 800 metres you will get to bottom of the hill and turn left at the roundabout still heading for Fornells, now on the ME 7.

Airport (shown as A) and Puerto D'Addaia (shown as B on the map)

Continue on the Fornells road (ME 7) for about 12 kms until you reach the first roundabout. Turn right at this roundabout signposted to Na Macaret and Arenal. Continue down the hill for approx 1.5 kms and take the first right to Puerto D'addaia. Keep going straight through the Puerto D'addaia, around an odd shaped roundabout, with restaurants and shops on your right and then straight on down a small incline. You will see other villas on either side of the road. Continue on this road which will twist and turn and after about 300 metres it straightens out. Look out here for a **15m high round old stone tower** on the right hand side of the road. (You can't miss it. **It's one of Nelsons Martello watchtowers,**

you can see it in the picture of the two villas standing behind and between them). Immediately on the left side of the road are Villas Favorita and Casablanca. When looking from the road Villa Favorita is the lower villa on the right and Casa Blanca is the taller villa on the left. Both have palm trees around them. If you miss the tower you need glasses! In this case you will continue to a large turning point at the end of the peninsula and be surrounded by sea. Turn round and go back 75 metres and the villas are then on the right hand side of the road. Car Parking is free on the road opposite the villas. In Casa Blanca you can park off road by pulling up front of the garage.

Martello Tower. When you see this the villas are just around the corner.
